

The DERBYSHIRE Emporium

The Derbyshire Emporium is an independent family-run shop in Bakewell filled with an array of produce created by local artisans, craftspeople, artists, makers and producers.

Since re-branding in July 2020 we have offered small local businesses the chance to showcase their products in a prime town centre location.

If you would like to apply for a space at The Derbyshire Emporium please complete the below details and enclose a price list for your products and a selection of images. This will enable us to feature you on our website and social media platforms.

Are you able to offer a sale or return arrangement? * Yes / No

The Derbyshire Emporium pays rent, business rates and staff wages for the store so where possible we ask stockists for a sale or return arrangement on a month-by-month basis.

To ensure that our displays are kept fresh and up-to-date we rely on our local stockists to call into the shop from time to time in order to keep their shelves maintained and full.
